CITY OF BOSTON BERMUDA CUP

This beautiful and historic silver punch bowl has been in the custody of the Quincy Yacht Club for over 50 years. It was presented by the City of Boston around 1905 for a yacht race from Boston to Bermuda. This race was never held, and in 1911, the City again put the cup up for an ocean race to be held on Labor Day 1911 to become the permanent possession of the winner. That race was won by Hollis Burgess, a Q.Y.C. member in his sloop, Marie L.

Mr. Burgess generously made Quincy Yacht Club trustee of the cup which was to be placed in annual competition as a perpetual trophy. In 1968, the Q.Y.C. presented the trophy to the Q.B.R.W.A. for race week competition. This beautiful and valuable trophy has been given to the Thunderbird overall.

Not awarded this year.

HENDRY TROPHY

Fifty years separates Frank Hendry, QBRWA Past President 1940, and his son Richard Hendry, QBRWA Past President 1990. Many changes occurred within that time span: however, their mutual love for the sport of sailing never did. Both father and son felt that yacht racing was the greatest pastime one could become involved with. Going beyond participation in competition, they both have given unselfishly of their time and effort to promote sailing and the QBRWA. The Hendry Trophy, given in honor of two generations of QBRWA Presidents. This trophy is awarded to the winning skipper of the Club 420 class.

2025 winner: Kou Nishizawa, Quincy Yacht Club

JACK & JEAN WHITE MEMORIAL TROPHY

John J. White, QBRWA Past President 1983, was to be one of the mainstays of QBRWA. Giving untold hours of support in every aspect of the Association's activities, Jack White truly exemplified the spirit of QBRWA. Given in honor of Past President Jack White. This trophy is awarded to the overall winner of the Opti Class.

*I must go down to the seas again, to the lonely sea and the sky,
And all I ask is a tall ship and a star to steer her by;
And the wheel's kick and the wind's song and the white sail's shaking,
And a grey mist on the sea's face, and a grey dawn breaking.*

John Masefield
